Carnes En Su Jugo Mexicaltzingo 1617 is a beloved gem nestled in the heart of Guadalajara, Mexico. Known for its authentic and mouthwatering dishes, the restaurant's menu is a celebration of traditional Mexican flavors with a strong focus on "carnes en su jugo" or "meat in its juice," a signature dish that has earned it a dedicated following.

One of the highlights of the menu is undoubtedly the "**Carnes en Su Jugo**" - tender cuts of beef, usually skirt steak or sirloin, slowly simmered in a savory broth made from its own juices, with just the right amount of seasoning to enhance its natural flavors. This dish is typically served with fresh cilantro, onions, and a side of warm tortillas, making it a complete and satisfying meal. The richness of the broth, combined with the tenderness of the beef, makes this dish an unforgettable experience for anyone who loves a hearty, flavorful meal.

Another must-try item is the "**Almuerzos**", or breakfast dishes, which are perfect for those who crave a filling start to their day. The restaurant offers a variety of options, including hearty Mexican breakfast plates with eggs, beans, and tortillas. For a more substantial meal, try their "**Carne en su Jugo El Mejor Restaurante**" - a version of the signature carne en su jugo, but taken to another level with even more tender cuts of meat and richer flavors.

The menu also features a selection of sides that complement the main dishes perfectly. **Salsas** made from fresh ingredients provide a burst of heat and zest, while the **tortillas** are soft and warm, perfect for dipping into the savory broths. If you're looking for something a little different, there are also **pico de gallo** and **guacamole** to add a fresh, tangy contrast to the rich meats.

For those with a heartier appetite, the "**Carnes Especiales**" section on the menu offers grilled meats that are perfect for pairing with the salsas and other accompaniments. Whether you choose chicken, pork, or beef, the restaurant's

commitment to quality and authentic flavors ensures that each bite is a savory delight.

As for the atmosphere, Carnes En Su Jugo Mexicaltzingo 1617 offers a warm and welcoming space where patrons can enjoy a meal in a cozy, relaxed setting. Whether you're coming in for a quick bite or a leisurely meal, the service is attentive, and the food is always served fresh and hot.
