Fresh Fish & Chips: The Heart of the Menu

At the core of Knechtel's menu are its fish offerings, particularly the perch and pickerel. The perch is known for its delicate, sweet flavor, while the pickerel provides a mild, flaky texture. Both are lightly battered and deep-fried to golden perfection, resulting in a crispy exterior that encases tender, juicy fish. These dishes are typically

served with a side of coleslaw, tartar sauce, and a soft roll with butter, offering a complete and satisfying meal.

The Pickerel Tacos and Perch Tacos feature generous portions of the day's catch wrapped in soft tortillas, complemented by fresh toppings and a zesty sauce. These tacos have garnered praise for their freshness and bold flavors, making them a standout choice for seafood enthusiasts.

Classic Sides with a Canadian Flair

No beachside meal is complete without classic sides, and Knechtel's delivers with its hand-cut French fries and Sweet Potato Fries. Golden and crispy, these fries are perfect for dipping in malt vinegar or ketchup. For a true Canadian experience, the Poutine Double Curds is a hearty option, featuring crispy fries topped with rich gravy and squeaky cheese curds. The Chili Poutine adds a spicy twist, combining the traditional poutine with a generous helping of chili.

Burgers and More

While seafood is the star, Knechtel's also offers a selection of burgers and sandwiches for those desiring variety. The Mushroom Burger, topped with sautéed mushrooms and melted cheese, is a flavorful choice. The Chicken Sandwich provides a hearty alternative, featuring a juicy chicken breast served with fresh toppings. Additionally, the Fish and Chips Half Dinner offers a lighter portion for those with smaller appetites.

???? Salad & Dessert Bar: A Refreshing Touch

Adding to the appeal, Knechtel's provides a complimentary Salad & Dessert Bar with most menu items. Diners can enjoy fresh salads, including classic coleslaw, and indulge in sweet treats like fruit salad and jello. This self-serve bar enhances the dining experience, offering a refreshing and satisfying complement to the main dishes.
