Starting with the **Charcoal Grilled BBQ & Mains**, Karachixpress truly excels in grilling. The **Chicken Behari Boti** is a must-try; marinated in a blend of traditional spices and then grilled to perfection, each bite is tender, juicy, and bursting with flavor. If you're a fan of chicken with bones, the **Chicken Behari Tikka (Bone in - Leg)** and **Chicken Tikka (Bone in - Breast)** are both packed with smoky goodness and rich, tangy flavors that come from the careful grilling process. For beef lovers, the **Beef Behari Kabab** offers a savory experience with a unique, smoky char and a balanced spice mix that pairs beautifully with the subtle hints of charcoal. If you're craving something a bit milder but still rich in flavor, the **Chicken Malai Boti** will do just the trick. Its creamy marinade gives it a tender, melt-in-your-mouth texture that will have you coming back for more. These grilled mains are perfect for anyone who enjoys bold, robust flavors.

For families dining with children, Karachixpress has a wonderful selection of **Kiddie Meals**, all served with fries and juice. The **Kiddie Chicken Behari Boti (Boneless - MILD)** is ideal for younger guests who enjoy the taste of chicken but prefer a milder spice profile. Alternatively, the **Kiddie Mayo Chicken Roll** and **Crispy Chicken Burger** are great options for little ones who love bite-sized, easy-to-eat meals with a crunchy exterior. Another fun and delicious choice is the **Crispy Chicken Chunks**, perfect for dipping and munching. When it comes to wraps, Karachixpress offers an array of **Kabab Paratha Rolls** that are incredibly satisfying. The **Chicken Behari Boti Roll** and **Chicken Malai Boti Roll** are both packed with flavorful grilled meat,

wrapped in a warm paratha that adds a delightful softness and richness to each bite. For a twist, try the **Dhaaga Kabab Roll**, where perfectly spiced minced meat is rolled up in a soft paratha. If you prefer a beef option, the **Beef Behari Kabab Roll** is a fantastic choice, offering the same smoky and tender kabab flavor but in a convenient roll format. Vegetarians will also be happy with the **Paneer Tikka Roll (VEG)**, which combines grilled paneer with aromatic spices, giving it a lovely texture and a spicy kick.

No meal at Karachixpress would be complete without a serving of their **DAIGI Biryani**. This classic dish is served in a single serving, and it's packed with bold spices that will delight your taste buds. The **'Daigi' Chicken Biryani** is a flavorful option, featuring tender pieces of chicken mixed with fragrant basmati rice, seasoned with aromatic spices. If you're in the mood for something a little different, the **'Daigi' Veal Biryani** provides a rich, savory twist on the traditional chicken version, offering tender veal meat that complements the spices perfectly. Vegetarians won't feel left out either, as the **Veggie Channa Biryani** offers a satisfying and hearty option filled with flavorful chickpeas and spices.
