El Pez Azul, located at Citlaltépetl 40-A, Hipódromo, Cuauhtémoc, 06100 Ciudad de México, CDMX, is a seafood haven that offers a vibrant and mouth-watering menu, perfect for those looking to experience the rich flavors of Mexican coastal cuisine. As you step into this delightful eatery, you're immediately drawn to the fresh ingredients and delicious variety that the menu has to offer.

Starting with their Entradas (starters), El Pez Azul offers a variety of fried delights that perfectly set the stage for the meal ahead. Their Pescadillas (fish-filled turnovers) are a classic Mexican dish, crispy and golden on the outside, with a tender fish filling that melts in your mouth. Another favorite is the Pescaditos, small fried fish that are lightly seasoned, offering a satisfying crunch with every bite. If you're craving tacos, the Taco de pescado (fish taco) and Tacos de camarón (shrimp tacos) are must-tries. Served with fresh toppings and a dash of tangy salsa, these tacos capture the essence of the coast, offering a perfect balance of flavors. For something a bit richer, the Chicharrón de Salmón frito (fried salmon crackling) brings a savory crunch that pairs wonderfully with a squeeze of lime.

For those who prefer a lighter start, the Tostadas are a highlight of El Pez Azul's menu. Each tostada is a crispy base topped with a generous portion of fresh seafood. Their Ceviche tostada is vibrant and tangy, offering a refreshing taste of marinated fish, while the Camarón (shrimp) tostada features plump, perfectly cooked shrimp, making it a satisfying bite. If you're in the mood for something more unique, the Callo de hacha (scallop) tostada delivers a sweet and delicate flavor, complemented by the crunchy base. The Pulpo (octopus) tostada is another standout, with its tender texture and savory seasoning that transports you straight to the ocean.

The Cócteles (cocktails) at El Pez Azul are equally tempting, offering a refreshing and flavorful experience. Their Ceviche cocktail is tangy, with the fresh fish marinated in lime and spices, creating a burst of flavor in every spoonful. The Camarón cocktail is perfect for shrimp lovers, with succulent shrimp served in a zesty sauce, making it a refreshing choice for a hot day.

Moving on to the Empanadas, El Pez Azul brings the perfect balance of crispy and soft textures. The Empanada de camarón (shrimp empanada) is filled with juicy shrimp, offering a burst of seafood goodness with each bite. The Empanada de pescado (fish empanada) offers a milder, but equally delicious option for those who prefer a more delicate flavor, all encased in a perfectly fried dough.

To finish off your meal, you can't miss their Caldo de camarón (shrimp soup), which is hearty and rich with a depth of flavor that comes from slow-simmered shrimp broth. If you're feeling extra hungry, the full order of Caldo de camarón is perfect for a satisfying meal. For a lighter option, you can opt for the Media orden caldo de camarón (half order), which still delivers the same comforting flavors in a more manageable portion.

El Pez Azul's menu is a testament to the freshness and quality of Mexican seafood, with every dish bursting with flavor and authenticity. Whether you're enjoying the crispy Pescadillas, savoring the rich Ceviche, or diving into a bowl of flavorful Caldo de camarón, each bite offers a taste of the coast that will leave you craving more. The vibrant and friendly atmosphere of El Pez Azul makes it the perfect spot for a casual yet unforgettable dining experience.
