Breakfast That Feels Like Home (Weekends Only)

If you visit on a weekend between **9 AM and 2 PM**, make sure to reserve ahead - their Turkish-style breakfast is an event in itself. The **Sultan Ahmet Turkish Cuisine Ottawa Menu** starts the day with comforting classics like **Menemen**, a soft scramble of eggs, tomatoes, and peppers that's rich and flavorful, perfect with a warm piece of bread. Then there's the **Sucuk with Egg**, where spicy Turkish sausage meets perfectly fried eggs - simple, satisfying, and bold.

For something lighter but just as authentic, the **Cheese Pide** delivers gooey, oven-baked perfection, while the **Lahmacun Single Serving** (often called Turkish pizza) offers thin, crisp dough topped with minced meat, herbs, and spices - a wonderful balance of crunch and zest. Each bite feels like breakfast on a Turkish terrace, where time slows down and flavor takes center stage.

Appetizers That Celebrate Simplicity

The appetizer section of the **Sultan Ahmet Turkish Cuisine Ottawa Menu** is a showcase of vibrant colors and textures. The **Mix Meze Plate** is a must-try if you love variety - it includes **Humus**, **Ezme**, **Cacik**, and **Baba Ganoush** - each made fresh and bursting with Mediterranean character. The **Humus** is silky smooth, drizzled with olive oil, while the **Ezme** adds a punchy mix of tomatoes, peppers, and herbs for a bit of heat. **Cacik**, a cooling yogurt dip with cucumber and garlic, perfectly balances the richness of grilled dishes. And the **Baba Ganoush**, smoky and creamy, reminds you why eggplant is so central to Middle Eastern cuisine.

Refreshing and Flavorful Salads

For those seeking something light yet satisfying, the **Sultan Ahmet Turkish Cuisine Ottawa Menu** offers a delightful trio of salads. The **Coban Salad** is refreshingly crisp, with diced cucumber, tomatoes, onions, and a drizzle of lemon and olive oil - it's the kind of salad that brightens up any meal. The **Sultan Ahmet Signature Salad** takes things up a notch with seasonal greens, olives, and feta, offering that perfect Mediterranean tang. And if you want something heartier, the **Chicken Salad** combines tender grilled chicken with fresh vegetables, a

go-to for a balanced lunch that still satisfies your craving for Turkish flair.

Comforting Soups for Any Day

Ottawa winters can be long and cold, which makes the **Soup of the Day** and **Lentil Soup** on the **Sultan Ahmet Turkish Cuisine Ottawa Menu** a welcome embrace. The **Lentil Soup** is a standout - hearty, smooth, and subtly spiced, it's one of those dishes that nourishes both body and soul. Often served with a wedge of lemon, it's comforting yet refreshing, a reminder that simplicity can be deeply satisfying.
