Located at 143 Saint-Paul St W, Montreal, Quebec, this cozy eatery offers a menu that truly highlights the city's love for smoked meats, subs, and classic comfort food, with a refreshing drink selection to complement every bite.

One of the standout features of Franklin's menu is its focus on Montreal's iconic Smoked Meat. The **Montreal Smoked Meat** selection is a must-try for anyone visiting the restaurant. You can dive right into the **Sandwich Smoked Meat**, which features tender, perfectly seasoned smoked meat piled high on rye bread. The richness of the meat, combined with the tangy mustard, makes each bite an experience you won't forget. If you're feeling extra hungry or want to share, the **Assiette Sandwich Smoked Meat** is a great choice. This dish comes with a generous serving of smoked meat, served alongside your choice of sides, allowing you to enjoy the full spectrum of flavors that make Montreal smoked meat a local favorite.

For those who enjoy a lighter, but still fulfilling meal, the **Assiette De Smoked Meat** is another fantastic option. This dish offers a beautiful portion of smoked meat served with a variety of sides, making it a great way to enjoy the smoky, savory flavor of the meat without the heaviness of the sandwich.

Beyond the smoked meat offerings, Franklin's menu also brings a range of subs and sandwiches that will satisfy anyone's hunger. Whether you're a fan of classic fillings or looking to try something new, their subs deliver the perfect balance of flavors and textures. Each sub is carefully crafted, ensuring that the fillings are fresh, juicy, and satisfying.

What would a meal be without the right drink to pair it with? Franklin's doesn't disappoint in this area either. For those looking for a refreshing and fruity drink, their **Sangrias** are a fantastic choice. You can opt for the **Rouge**, with its deep red fruitiness, or the **Mojito**, which offers a refreshing minty twist that's perfect for cooling off during a Montreal summer. These drinks are not only delicious but also the perfect way to unwind and enhance your meal.

If you're in the mood for something a bit more spirited, the **Cocktails Classique** menu offers several iconic options that are perfect for those who enjoy a classic cocktail experience. The **Mojito** and **Long Island** are favorites that never go out of style. For those who prefer something with a bit more punch, the **Limonade Bourbon Old Fashioned** is a strong contender, combining the smoothness of bourbon with the zest of lemonade, while the **Bloody** offers a savory kick to wake up your senses.

Franklin's also has a unique selection of **Cocktails Maison** (house cocktails) that brings an extra touch of creativity to the bar. The **Pink Panther**, with its vibrant pink hue, is a fruity yet balanced drink that stands out on the menu. The **Margarita Glacée** is another popular choice, a frosty take on the classic margarita that's both refreshing and indulgent. For something a little more exotic, try the **Mojito Pitaya**, which combines the tropical

flavors of pitaya with the refreshing mint of a mojito, making it a perfect tropical escape in every sip.

If you're looking to kick off your meal with something quick and fun, the **House Shots** menu offers a variety of options that are sure to liven up any occasion. The **Bunny** and **Stripper** shots are playful, flavorful, and guaranteed to bring a smile to your face, while the **Pitbull** and **Lemon Drop** shots offer a bit of zest and kick. For those with a sweet tooth, the **Candy** shot delivers a sugar-filled burst of flavor, perfect for those who love something a little sweeter.
