Whether you're in the mood for something light like an appetizer or want a hearty meal with bold grilled meats, Dewan-E-Khass has something to satisfy every craving.

Grilled Appetizers are a standout feature at Dewan-E-Khass. Among the many options, the Seekh Kabab is a classic favorite. These tender minced meat skewers, spiced just right, are perfect for anyone who enjoys a little heat without being overwhelmed by spice. Another popular choice is the Lamb Chops, which are grilled to perfection, juicy on the inside, with a beautifully charred exterior. Beef Boti offers a rich, smoky flavor that beef lovers will relish, while the Chicken Liver Tikka is a must-try for those who love organ meats. For those with a taste for wings, the Kings Grilled Chicken Wings are a flavorful option, with just the right amount of seasoning to make each bite incredibly satisfying.

The **Appetizers** at Dewan-E-Khass are the perfect way to start your meal. The Fish Pakora is crispy and light, with a flavor that complements the spices used in its batter. If you're in the mood for something vegetarian, the Veg Pakora is an excellent option, offering a crunchy texture paired with a warm, spiced filling. For a more filling snack, try the Samosa, either the meat-filled version or the Veg Samosa, which is just as tasty and satisfying. The Mogo, or fried cassava, is another excellent snack that is full of flavor and pairs perfectly with the restaurant's signature chutneys.

Sides at Dewan-E-Khass provide great variety and complement the main dishes wonderfully. The Naan, soft and pillowy, is perfect for mopping up gravies, while the Kalonji Naan offers a slightly different twist with its aromatic seeds that bring an added layer of flavor. If you're looking for something simple yet delightful, their fries are crispy and well-seasoned. The Papadum, a thin, crispy cracker-like snack, is a great accompaniment, offering a light, crunchy texture that contrasts beautifully with the rich and savory grilled items. For a touch of freshness, the Small Salad is a great choice, providing a balance to the heavier, spicier dishes on the menu.

When it comes to **Grilled Entrées**, Dewan-E-Khass truly excels in offering some of the finest grilled meats. One of the most iconic dishes on their menu is the **Half Chicken Torso (Swat Style)**. This traditional dish is marinated with a blend of spices, offering a unique flavor profile that is both tangy and savory. If you're craving more variety, the Beef Shashlik and Chicken Shashlik are excellent choices. These skewered meats are grilled until perfectly charred on the outside while remaining tender and juicy inside. For seafood lovers, the **Grilled Golden Pompano** offers a delicate, tender fish grilled with aromatic spices that bring out the natural flavors of the seafood.

Finally, no meal at Dewan-E-Khass is complete without indulging in one of their delicious **Desserts**. The Rasmalai, a creamy dessert made with delicate milk-soaked bread, is a sweet and light ending to any meal. Another sweet treat you shouldn't miss is the Cheesecake, rich, creamy, and with just the right balance of sweetness. Both desserts are the perfect way to wrap up your meal, offering a smooth and satisfying end to your dining experience.
