One of the standout features of the Gyubee Japanese Grill (Dundas) menu is its impressive variety of main dishes, perfect for those who enjoy a hearty, flavorful meal. If you're looking for something fulfilling yet light, the Yakiniku Fried Rice () is a must-try. This dish combines tender pieces of grilled meat with fried rice, creating a perfect harmony of flavors. The rice is seasoned just right, giving each bite a satisfying depth of taste. Another popular option is the Yakisoba (), a classic Japanese stir-fried noodle dish that is both comforting and satisfying. The noodles are perfectly cooked, and the dish is often served with vegetables and your choice of meat, making it a great choice for anyone who loves savory, well-balanced meals.

For those who prefer a more traditional Japanese hotpot experience, the Sukiyaki () is a fantastic option. This dish features thinly sliced beef cooked in a sweet and savory broth along with vegetables, tofu, and noodles. It's a warm, rich dish that provides a perfect balance of flavors and textures, making it a great choice for colder weather or when you're craving something hearty. The Bao () is another unique dish on the menu, where juicy fillings are encased in a delicate bao bun, offering a light yet flavorful bite.

If you’re feeling adventurous or in the mood for a comforting bowl, the Gyubee Bibimbap () is a flavorful option to consider. This dish is a Korean-inspired rice bowl topped with a variety of fresh vegetables, meats, and a

savory sauce. It's a wholesome and customizable meal, with the perfect balance of textures and flavors in every bite. Whether you're in the mood for rice, noodles, or grilled meats, Gyubee's main dishes have something to suit everyone's taste.

The side dishes at Gyubee Japanese Grill (Dundas) are equally enticing and perfect for complementing your meal. The Nori Shio Chicken Wings () are a standout. The wings are perfectly crispy on the outside, with a hint of umami from the nori (seaweed) seasoning. They make for a delightful snack or appetizer, especially when paired with a cold drink. If you're in the mood for something light yet satisfying, the Edamame () is a great choice. These young soybeans are steamed to perfection, lightly salted, and make for a healthy and refreshing snack. For those who love fried food, the Karaage () is a must-try. The Japanese fried chicken is crispy on the outside, tender on the inside, and packed with savory flavor. It's the perfect side dish to pair with any of Gyubee's main courses.

Another notable side dish is the Nagoya Style Chicken Wings (). These wings are a bit different from your traditional fried chicken, as they're glazed with a sweet, savory sauce that gives them a unique flavor profile. Whether you choose wings or edamame, each side dish at Gyubee offers a delicious experience that complements the larger entrees.

The Grape Soda () is a popular choice, with its sweet and tangy flavor providing a perfect balance to the savory dishes. For something a little more exotic, the Ume Pineapple and Lychee Mojito offer a delightful twist on traditional flavors. The Peach Mojito and Peach Soda (|) are equally refreshing, making them a great option for those who enjoy a fruity, bubbly beverage to accompany their meal.

If you're looking to try something a little different, the Ume Shu () is a must. It's a great option for those who want to enjoy a more traditional Japanese drink alongside their meal.

Gyubee also offers meal specials, which are perfect for those who want to enjoy a well-rounded dining experience.
