Cora's Breakfast And Lunch, located at 80 Kenmount Rd, St. John's, NL A1B 3R1, Canada, is a charming spot to kickstart your day with a mouthwatering array of breakfast and lunch options. The menu offers a delightful mix of flavors that cater to every taste, from sweet indulgences to savory treats. Whether you're craving something light and fresh or hearty and comforting, Cora's has you covered.

One of the standout categories on the menu is their selection of **waffles**. These fluffy, golden waffles are served with a variety of delicious toppings, each more tempting than the last. For those who enjoy a classic breakfast, the **Waffle with Strawberries** offers a sweet and fruity delight, topped with fresh, juicy strawberries. If you're more of a fan of tropical flavors, the **Waffle with Bananas** will hit the spot, providing a sweet and creamy contrast to the crispy waffle. But for those who want to indulge in something truly unique, the **S'more Waffle** is a must-try. This decadent treat combines the perfect balance of marshmallows, chocolate, and a touch of crunch, recreating the campfire classic in waffle form.

If you're in the mood for something a little more adventurous, Cora's offers a fantastic range of **Sweet'n Salty** options. The **Marshmallow Cookie Treat For Justin** is a fun, playful dish that features marshmallow cookies, delivering both sweetness and a bit of chewiness in every bite. For those who love a mix of creamy and rich, **Jessica Born In 89** is an irresistible choice, with custard or choco-hazelnut fillings that perfectly complement the texture of the waffle or other breakfast items. If you can't decide, the **Louis The Undecided** combines sweet and savory elements, giving you the best of both worlds in one dish. **Paul Wants It All** is another great choice for anyone looking for a little bit of everything - a true feast for the senses. And, if you prefer something fruity and indulgent, the **Strawberry Avalanche For Fannie** is an absolute showstopper, with fresh strawberries piled high

for the ultimate sweet escape.

For those who want to add a little extra touch to their meal, Cora's menu includes a variety of delightful sides and toppings. You can opt for a generous portion of **potatoes**, perfectly seasoned and cooked to golden-brown perfection. If you're craving something a little healthier to balance out the indulgent sweets, the **Large Bowl of Fresh Fruit with Toast** offers a refreshing, light option that still delivers on flavor. And for a creamy, decadent twist, the **Cocoa-Hazelnut Custard** is a luscious addition that pairs wonderfully with many of the menu's dishes. Don't forget to drizzle some **Pure Maple Syrup** on your waffles or pancakes for that authentic Canadian touch. For those who enjoy a savory kick, the **Hollandaise Sauce** is the ideal accompaniment to many of the savory menu items.

Cora's also offers a tempting selection of **sandwiches** that are perfect for those seeking a satisfying lunch or a filling breakfast. The **Bagel and Lox with Potatoes** is a classic combination, featuring fresh bagels paired with smoked salmon, creating a satisfying, flavorful bite. If you're in the mood for something warm and comforting, the **Smoked Meat Panini with Potatoes** is an excellent option. The panini is loaded with tender, smoked meat, making for a hearty and satisfying meal. For a fun twist on a traditional sandwich, the **Smoked Meat Waffle Sandwich** combines the savory flavors of smoked meat with the crispy, fluffy texture of waffles - a perfect fusion of sweet and savory. If you're craving something more cheesy, the **Pizza Grilled Cheese** is a gooey, cheesy delight, while the **Tuna Melt with Potatoes** offers a flavorful take on a classic favorite.

No meal at Cora's would be complete without one of their delicious **beverages**. Whether you're in the mood for something hot or cold, there's a drink to pair perfectly with your meal. The **Hot Chocolate** is rich and creamy, making it a cozy choice for cooler mornings. If you prefer tea, Cora's offers a selection of **Tea or Herbal Tea** that are calming and flavorful. For something a little more energizing, the **Iced Cappuccino** is a refreshing option that pairs beautifully with the sweet and savory menu offerings. And for a fruity, refreshing drink, the **Cocktail Strawberry-Mango Iced Tea** is the perfect blend of sweet and tangy, ideal for a burst of refreshment. Of course, if you're simply looking for something light, you can always opt for a **Bottle of Water** to stay hydrated.

Whether you're stopping by for a leisurely breakfast, a quick lunch, or a special treat, the menu at Cora's Breakfast And Lunch offers something for everyone. The mix of sweet, savory, and indulgent options ensures that there's always a perfect dish waiting for you. With fresh ingredients, flavorful combinations, and a welcoming atmosphere, Cora's makes each visit a memorable experience. So next time you're in St. John's, make sure to stop by and dive into their delightful menu - your taste buds will thank you!
